

TERRATOUGH™ FABRIC

PADDING

4" (10cm) Aero•Cel™
Oakworks® exclusive system features the best combination of softness, longevity and ergonomics for therapists.

6" (15cm) Aero•Cel™
When the ultimate in comfort is required, this is it. The same high quality foams as in the 4" system, just softer. Note: does increase the height of the tables by 2".

3" (8cm) Plush
This lower cost system creates a good balance between comfort and longevity.
